Instructions for completion: Please think back over the last four weeks and respond to each item considering how often it applied to you. Please respond where 1 = *strongly disagree*; 5 = *strongly agree*.

	Strongly disagree	Disagree	Neutral	Agree	Strongly Agree
1. A man should be open to new people	1	2	3	4	5
2. A man should care about other people	1	2	3	4	5
3. A man should help other people	1	2	3	4	5
4. A man should give back to his community	1	2	3	4	5
5. A man should be independent	1	2	3	4	5
6. A man should make his own decisions	1	2	3	4	5
7. A man should be self sufficient	1	2	3	4	5
8. A man should have physical strength	1	2	3	4	5

Scoring: The IMVS-8 provides two subscale scores, with higher scores indicating greater endorsement of each value domain:

Subscale	Items
Inclusive (Open and selfless)	1,2,3,4
Empowered (Healthy and autonomous)	5,6,7,8
